

Monday, July, 11, 2011

The regular meeting of the Humboldt County Board of Commissioners was called to order on Monday, July 11, 2011, at 9:30 a.m. in the regular place of meeting at the Courthouse, Winnemucca, Nevada. Those present were Chairman Garley Amos Jr., Commissioners Mike Bell, Dan Cassinelli, Tom Fransway and Jim French, District Attorney Michael Macdonald, Administrator Bill Deist and Clerk of the Board Tami Rae Spero.

PUBLIC COMMENTS: Chairman Amos asked for public comments. Ken Hladek appeared before the Board to thank the Commission for their assistance in the reseeded following the Thomas Fire and their efforts in eradicating the Mormon Crickets. Commissioner Fransway suggested that Mr. Hladek forward a letter to Senator Reid to thank him for his assistance in providing federal funds to fight the crickets.

DISCUSSION & ACTION ON CORRECTION/APPROVAL OF MINUTES - JUNE 20, 2011 REGULAR MEETING AND THE JUNE 29, 2011 SPECIAL MEETING: No corrections offered for either set of minutes. Chairman Amos asked for a motion for approval of the June 20, 2011 meeting minutes. The following motion was made by Commissioner French and passed unanimously:

To approve minutes as presented.

Chairman Amos asked for a motion for approval of the June 29, 2011 special meeting minutes. The following motion was made by Commissioner French and passed unanimously:

To approve minutes.

ADMINISTRATIVE REPORT:

CONSENT AGENDA: The following items were presented under the consent agenda by Administrator Deist for the Board's review/action:

1. **Approval of Fiscal Year 2011-2012 contract with Home Health Services:** A copy of the proposed contract was provided to the Board for review. Administrator Deist noted that this is an annual contract. *Recommendation: That the Commission authorize the Chairman's signature on the contract.*

The following motion was made by Commissioner Bell and passed unanimously:

To approve the Consent Agenda as presented by staff.

SOLID WASTE MATTERS: Administrator Deist stated that he had nothing on this item.

PUBLIC LANDS PLANNING MATTERS & FORMULATION OF COUNTY POSITION ON BLM, FOREST SERVICE AND THE FEDERAL FISH AND WILDLIFE SERVICE PROPOSED

ACTIONS: Administrator Deist stated that he had nothing on this item.

MISCELLANEOUS REPORTS AND CORRESPONDENCE: Administrator Deist stated that the person reappointed at the June 29th special meeting to the financial position on the Humboldt Development Authority Board was not interested in reappointment so another member is being sought; that a copy of the grant of right-of-way for the Winnemucca Mountain Bike Trail which had been signed by Chairman Amos last week had been provided to the Board for review; that he had met with Judge Wagner, Judge Montero and representatives of the Juvenile Department to discuss the possibility of developing proposals for certain programs for which the County is now being assessed the cost of by the State but after review of the requirement for establishing the programs the conclusion had been that it would not be practical at this time to submit proposals but that if the Commission wishes to pursue it the Judges would be willing to work with the Board. Upcoming meetings and dates of importance were noted for the Board.

Commissioner Fransway asked legal counsel if it would be necessary to ratify the Chairman's signature on the right-of-way grant for the Winnemucca Mountain Bike Trail. District Attorney Macdonald stated that ratification could not hurt. The following motion was made by Commissioner Fransway and passed unanimously:

To ratify the Chairman's signature on the grant of right-of-way for the Winnemucca Mountain Bike Trail.

REPORTS FROM COMMISSIONERS REGARDING OTHER BOARDS AND COMMITTEES

THEY SERVE ON: Commissioner French reported on his attendance at a Resource Advisory Committee meeting. Commissioner Cassinelli updated the Commission on the WCVA's purchase of the parking lot across from the convention center. Commissioner Fransway stated that he would be attending the annual meeting of the National Association of Counties. Chairman Amos reported on a Humboldt River Water Basin Authority meeting which he had attended at which invasive mussels in Rye Patch had been discussed. Commissioner Fransway asked if the Nevada Division of Wildlife could provide a presentation regarding the issue for the Commission. Commissioner French stated that he would contact them and see if it could be arranged.

CLAIMS FOR EXPENDITURES OF COUNTY FUNDS: The following motion was made by Commissioner Fransway and passed unanimously:

To accept the claims and expenditures as presented.

UPDATE FROM SAM ROUTSON REGARDING PUBLIC UTILITIES COMMISSION (P.U.C.)

ACTION ON IS-2 RATES: Sam Routson of Winnemucca Farms appeared before the Board. Mr.

7/11/2011

Page 2 of 10

Routson provided an update on the IRR IS-2 rate issue stating that a coalition/working group had been formed and identifying who the membership of that group was; he continued detailing the actions of the group including that a stipulation had been reached with representatives of NV Energy that the IS-2 penalty rate made no sense and was counterproductive, that the stipulation had been taken to the P.U.C. to prove that the rate was not in the best interest of the State or the users but the hearing officer had went against the evidence and issued an administrative order to implement the rate, that the full committee had rejected the draft order for the season and was currently working to repeal the rate on a permanent basis and the final repeal is anticipated to occur later this year. Mr. Routson stated appreciation of the Humboldt County Commission's support. The Board agreed that if any further assistance is needed to let the Commission know.

ROAD MATTERS: Road Superintendent Ben Garrett appeared before the Board.

PRESENTATION AND REQUEST FROM THE SUMMIT LAKE PAIUTE TRIBE TO RECONSIDER THE INCLUSION OF CERTAIN COUNTY ROADS IN THE RESERVATION

ROADS INVENTORY: Provided to the Board for review were a copy of a letter from Warner Barlese, Summit Lake Paiute Council Chairman with map regarding the 2011 Summit Lake Paiute Tribe Indian Reservation Road Inventory (see attached) and a copy of a draft Memorandum of Agreement. Appearing before the Commission were William Cowen, Natural Resource Department Director for the Summit Lake Paiute Tribe, Suzette Claypool, Realty Officer for the Bureau of Indian Affairs (BIA) Western Nevada Agency and Warner Barlese, Summit Lake Paiute Council Chairman.

Superintendent Garrett noted that this matter had previously been before the Commission following a meeting between the BIA, the Summit Lake Tribe, Commissioner Bell, Administrator Deist and himself related to a request from the Tribe for approval to put some of the County's roads into the Reservation Roads Inventory but the Commission had additional questions that he could not answer and since the Tribe had received an extension to July 12th they had requested to be before the Commission to discuss the issue. Commissioner Bell commented that the issue was the designated fee road and the historical access associated with that road. Commissioner French concurred and voiced his concerns about the road designated a fee road and the limitation of access into the Mahogany Basin and the possibility of the designation closing or limiting public access into the Black Rock Range. Mr. Cowen stated for the record that the fee road has never received public dollars for maintenance, that it is not part of the maintained system and that a portion of the road is on private land which the tribe has no authority over; he spoke of the Tribe's wish to partner with the County to fulfill a needed service and to ensure safe

7/26/2011

Page 3 of 10

travel through the reservation; he discussed the federal funding available to the tribe, the proposed Memorandum of Agreement, the benefit of the funding and the projects for the Tribe and the projects planned with the funding including work on Soldier Meadows Road; he stated the Tribe's understanding as to use of public funding requiring public access and the history of the allotment through which the road in question runs through. Commissioner French noted that the restriction or closure of the road would landlock Stanley and Summit Camps. Discussion occurred regarding the inability to manage roads on private lands, the fee system used for the road, who charges and collects the fee, that a portion of the road runs through a protected watershed area, that currently the road is open and the gates are not locked but a notice is posted and the collection of the \$100.00 toll is through an honor system, that the funds collected are used to offset costs of tribal roads maintenance. Commissioner Fransway commented on the possibility of the Tribe acquiring the allotment in question. Mr. Cowen stated that would have no bearing on what is before the Commission for discussion and commented on the issues with acquiring right-of-way and dealing with the portion protected; he continued discussing project plans including a re-route of a road by the lake to move it out of the flood plain. Commissioner French noted a previous attempt to collect a fee for access though Soldier Meadows Road and asked how that would be guaranteed not to happen again. Mr. Cowen stated that the Tribe had signed a contract with the Federal Government and that the contract did not allow the imposition of fees on a road which receives federal funding and violation of that would result in repercussions and the Tribal Council was aware of that restriction. Commissioner Cassinelli confirmed that the County had not maintained the fee road being discussed. Commissioner French noted that the road had received federal funding in the past due to the need to repair flood damage and reiterated his concerns about closing historical access to the Black Rock. Commissioner Fransway commented on the progress made toward this agreement and questioned how the Commission could intervene with a private road on reservation land. Chairman Amos noted the purpose of this agreement was to obtain funds to benefit the roads. Commissioner Fransway stated he could see the benefit of the agreement. Commissioner Cassinelli stated his understanding of Commissioner French's concerns but noted that the County had never had control over the road. Ms. Claypool stated that the Commission did not have to sign the Memorandum of Agreement today but would need to acknowledge that they would allow the roads to be included in the Reservation Roads Inventory. Discussion occurred regarding the need to close Soldier Meadows Road for the planned improvements and the County's involvement in the process and that language related to the issue could be included in the Memorandum of Agreement. The following motion was made by Commissioner Cassinelli:

7/11/2011

Page 4 of 10

That the Commission acknowledges that the requested roads are allowed to be included in the Reservation Roads Inventory and that the Chairman be authorized to sign the draft letter.

Commissioner Fransway asked if the Commission also would need to acknowledge the long range tribal road plan for the Tribe to obtain the funds. Ms. Claypool stated that necessary verbiage was included in the draft letter. Chairman Amos commented on the ability to collect sufficient funds for maintenance with a fee road. Commissioner Cassinelli noted that the issue could be discussed as part of the Memorandum of Agreement. Chairman Amos called Commissioner Cassinelli's motion to a vote and it passed unanimously.

Administrator Deist noted that item 4A had run long and the representatives from the BLM for item 5 scheduled for 10:45 a.m. were present; he suggested that the Commission go forward with item 5 and come back to the rest of road matters later in the meeting. Chairman Amos concurred.

PRESENTATION FROM THE BUREAU OF LAND MANAGEMENT (BLM) REGARDING THE PROPOSED GATHER OF WILD HORSES AND BURROS IN THE CALICO COMPLEX PLANNED FOR LATER THIS YEAR:

Lisa Ross, Public Affairs Specialist for the Winnemucca Field Office of the BLM and Rolando Mendez, Field Manager for the Black Rock Field Office of the BLM appeared before the Board. Manager Mendez explained the purpose of the gather for the Board. Chairman Amos asked if the Commissioners had any questions; none offered. Chairman Amos asked for public questions or comments; none offered. Manager Mendez continued discussing the purpose of the gather in conjunction with the Preliminary Environmental Impact Study and Environmental Assessment for the area and noted the intent to make the Commission aware of the proposal and their ability to offer comment. Administrator Deist noted that in the past the Commission has went on the record in support of the gather and offered the recommendation that the Commission do the same as in the past. Discussion occurred regarding the proposal. Chairman Amos and Commissioners Cassinelli and Bell offered their support for a letter of strong support. Commissioner French questioned what the contingency would be for meeting the AML if it is not met with this gather and if this gather is being done in conjunction with the gather on the Sheldon. Manager Mendez stated that it would be a tri-state gather and there would be coordination for efficiency and effectiveness; he explained how the operation would be handled and what the contingency plan would be. After discussion the following motion was made by Commissioner French and passed unanimously:

To provide a letter of support to the Bureau of Land Management for this ongoing

7/26/2011

Page 5 of 10

project on Calico gather for the Chairman's signature.

Commissioner French requested a report from the BLM following the gather.

Administrator Deist noted there was about five minutes before the next item; he suggested that items D and E of road matters could be accomplished in that time frame. Chairman Amos concurred.

CONTINUED ROAD MATTERS: Road Superintendent Ben Garrett appeared before the Board.

REVISING THE CLASSIFICATION OF A PORTION OF JUNGO ROAD FROM A MINOR ROAD TO A GENERAL ROAD: Superintendent Garrett explained that the portion of Jungo Road from Bottle Creek out to the Pershing County line is classified as a "Minor County Road" currently in the County Roads Inventory but in order to enter into an agreement with Hycroft the road must be classified as a "General County Road" for the duration of the agreement so that is the purpose of this request. Commissioner Cassinelli asked if there were any issues with the change. Superintendent Garrett stated no it just requires action by the Commission. The following motion was made by Commissioner Bell and passed unanimously:

To revise the classification of the portion of Jungo Road from Bottle Creek to the Pershing County line from a "Minor" to a "General".

REVIEW AND APPROVAL OF A ROAD MAINTENANCE AGREEMENT WITH HYCROFT

MINING: Provided to the Board for review was a proposed Road Maintenance Agreement Between County of Humboldt and Hycroft Resource and Development. Superintendent Garrett noted that this agreement is the same as the one the County currently has with Newmont for maintenance on Midas Road. Administrator Deist noted that there has been an informal agreement with Hycroft but this will formalize it. The following motion was made by Commissioner Fransway and passed unanimously:

To enter into an agreement with Hycroft Mining for maintenance of Jungo Road as recommended by staff.

Administrator Deist noted that it was time for item 6 on the Commission agenda. Chairman Amos concurred.

REQUEST FROM THE HUMBOLDT COUNTY TREASURER FOR AUTHORIZATION TO PROCEED WITH TITLE SEARCHES ON DELINQUENT PROPERTIES FOR AN UPCOMING

DELINQUENT TAX AUCTION: Provided to the Board for review was a Title Search Parcel List for the 2012 Auction and a memo from Humboldt County Treasurer Gina Rackley requesting authorization from the Board to proceed with title searches on delinquent properties for the upcoming delinquent tax auction; the memo noted that the County may wish to retain parcel 008-142-05 as it is an easement in

Golconda (see attached). Treasurer Rackley appeared before the Board and spoke in support of her request including the process for retaining the Golconda parcel if the Commission should choose to do so. After discussion the following motion was made by Commissioner Cassinelli and passed unanimously:

To grant the request from the Humboldt County Treasurer for authorization to proceed with the title searches on the delinquent properties.

CONTINUED ROAD MATTERS: Road Superintendent Ben Garrett appeared before the Board.

REQUEST FOR ACCEPTANCE OF BRAYTON ROAD INTO THE COUNTY MAINTAINED

SYSTEM: A copy of memo and report from Superintendent Garrett recommending acceptance of Brayton Road from Cattle Drive to 4870 Brayton Road and a copy of a map of the area were provided to the Board for review. Superintendent Garrett reviewed the request from Rich Brown to take the road into the system and his inspection which showed everything as good with the exception of the need for installation of drainage pipe which the developer has agreed to purchase and which the Road Department will install when the drainage improvements on Cattle Drive are constructed; he recommended that Brayton Road from Cattle Drive to 4870 Brayton Road be accepted into the maintained system noting that the last two lots are atop a 10% grade which has not been prepped and brought up to County Standards and he did not recommend accepting that portion due to the grade. After discussion the following motion was made by Commissioner Bell and passed unanimously:

To accept the request for Brayton Road to be brought into the County Maintained System.

AWARD OF THE BID FOR THE 2011 ROAD SEAL PROJECT: Provided to the Board for review was a memo from the Road Superintendent detailing the Surface Treatment Bid for 2011 and recommending the longer term treatment (see attached). Superintendent Garrett noted that this had come before the Commission in February to approve the solicitation of the bids and the bids had been received back in June; he reviewed the difference in cost between going with the less expensive product or upgrading for longevity purposes and noted that this bid had been done in conjunction with the City of Winnemucca and the Council has already approved their portion and requested the Commission's approval to proceed with the longer term treatment. After discussion the following motion was made by Commissioner Cassinelli and passed unanimously:

To approve the surface treatment bid to Intermountain Slurry.

REPORT OF PENDING ROAD DEPARTMENT PROJECTS: Superintendent Garrett reported on road patching for the chip seal project, washout repair, road grading and the hiring of two new employees

7/26/2011

Page 7 of 10

in the department. Discussion occurred regarding the Chimney Dam Road project and the flow of the Humboldt River related to the Eden Valley Bridge truck traffic closure.

MISCELLANEOUS ROAD RELATED MATTERS: Commissioner Cassinelli questioned the graveling of roads in Paradise Valley. Superintendent Garrett stated that there would not be sufficient gravel to do all the roads but a good portion would be done.

COMPTROLLER/AUDITOR'S OFFICE: Comptroller Sondra Schmidt appeared before the Board.

ADOPTION OF A RESOLUTION ADOPTING THE 2011 DEBT MANAGEMENT POLICY

UPDATE: A copy of the proposed resolution including the 2011 Debt Management Policy was provided to the Board for review. Comptroller Schmidt reviewed the policy for the Board. The following motion was made by Commissioner Fransway and passed unanimously:

To approve the Debt Management Policy as requested by the Comptroller.

(Resolution No. 07-11-11)

ADOPTION OF RESOLUTION ADOPTING THE 2011 CAPITAL IMPROVEMENT PLAN: A

copy of the proposed resolution including the 2011 Capital Improvement Plan was provided to the Board for review. Comptroller Schmidt reviewed the plan for the Board. The following motion was made by Commissioner Bell and passed unanimously:

To approve the resolution adopting the 2011 Capital Improvement Plan.

(Resolution No. 07-11-11a)

PRESENTATION BY JEFF FONTAINE, EXECUTIVE DIRECTOR OF NEVADA ASSOCIATION OF COUNTIES REGARDING THE 2011 NEVADA LEGISLATIVE SESSION AND OTHER MATTERS RELATED TO NACO:

Jeff Fontaine Executive Director of the Nevada Association of Counties appeared before the Board. Director Fontaine updated the Board regarding NACO's activities for the past year including involvement in the Supreme Court case related to term limits, public lands issues such as support of the BLM's wild horse/burro gathers, wildlands issues, Equal Access Justice Act issues, securing full Payment in Lieu of Taxes (PILT) funding, support of the Cooperative Extension program and the College of Agriculture at the University of Nevada - Reno during recent budget issues, support of the Wildfire Support group and legislative matters including budget issues, cost shifts and/or assessments against the County by the State related to Adult Parole & Probation, Division of Child & Family Services programs and the County Match Program, and both support and opposition to certain Senate and Assembly Bills which affected Counties either positively or negatively. Commission Fransway offered congratulations to NACO including Jeff Fontaine and Wes Henderson for

their support of the organization and the Counties.

Chairman Amos recessed the meeting for lunch at 12:08 p.m. to reconvene at 1:30 p.m.

COMMITTEE APPOINTMENTS:

REGIONAL PLANNING COMMISSION: Provided to the Board for review was a copy of a letter requesting appointment to the Regional Planning Commission (RPC) including resume for Vickie Rock. The Board interviewed Mrs. Rock. After discussion the following motion was made by Commissioner Bell and passed unanimously:

To appoint Vickie Rock to the Regional Planning Commission.

PARADISE VALLEY WEED CONTROL DISTRICT: Provided to the Board for review were copies of letters requesting reappointment from Bob Buckingham, Rick Latimer and Jean Thomas and a copy of a letter requesting appointment from Nancy Lesperance. Administrator Deist noted that Mrs. Lesperance had been interviewed at the prior Commission meeting. The Board interviewed Rick Latimer and Jean Thomas. Daryl Reirsgard, Weed Coordinator for the Paradise Valley Weed Control District, addressed the Board and explained that Bob Buckingham could not be present today due to a Doctor's appointment; he continued commenting on the current Weed Board and their cooperation and relationship with the partners. Commissioner Fransway noted that the Weed District Board is a model for the entire state. After discussion the following motion was made by Commissioner Cassinelli and passed unanimously:

To reappoint Bob Buckingham, Rick Latimer and Jean Thomas to the Paradise Valley Weed District.

REVIEW AND APPROVAL OF LICENSE FROM THE STATE OF NEVADA FOR HUMBOLDT COUNTY, NEVADA STORAGE BUILDING LOCATED ON STATE PROPERTY (NDOW) IN WINNEMUCCA, NEVADA:

A copy of the proposed License for Humboldt County, Nevada Storage Building was provided to the Board for review. Buildings & Grounds Director Doug Cain appeared before the Board. Administrator Deist explained that the County has been using the building for years but this is just formalizing the agreement. Director Cain concurred and discussed the usage of the building and noted that this is a ten year agreement with the ability to extend the agreement for another ten years. Commissioner French discussed how this agreement initially came about. After discussion the following motion was made by Commissioner Fransway and passed unanimously:

To approve the license.

REVIEW AND APPROVAL OF A CONTRACT WITH THE NEVADA STATE HEALTH DIVISION FOR ENVIRONMENTAL HEALTH SERVICES:

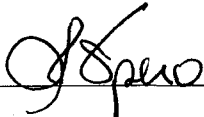

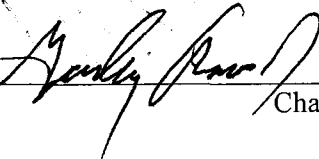

A copy of the proposed Intrastate

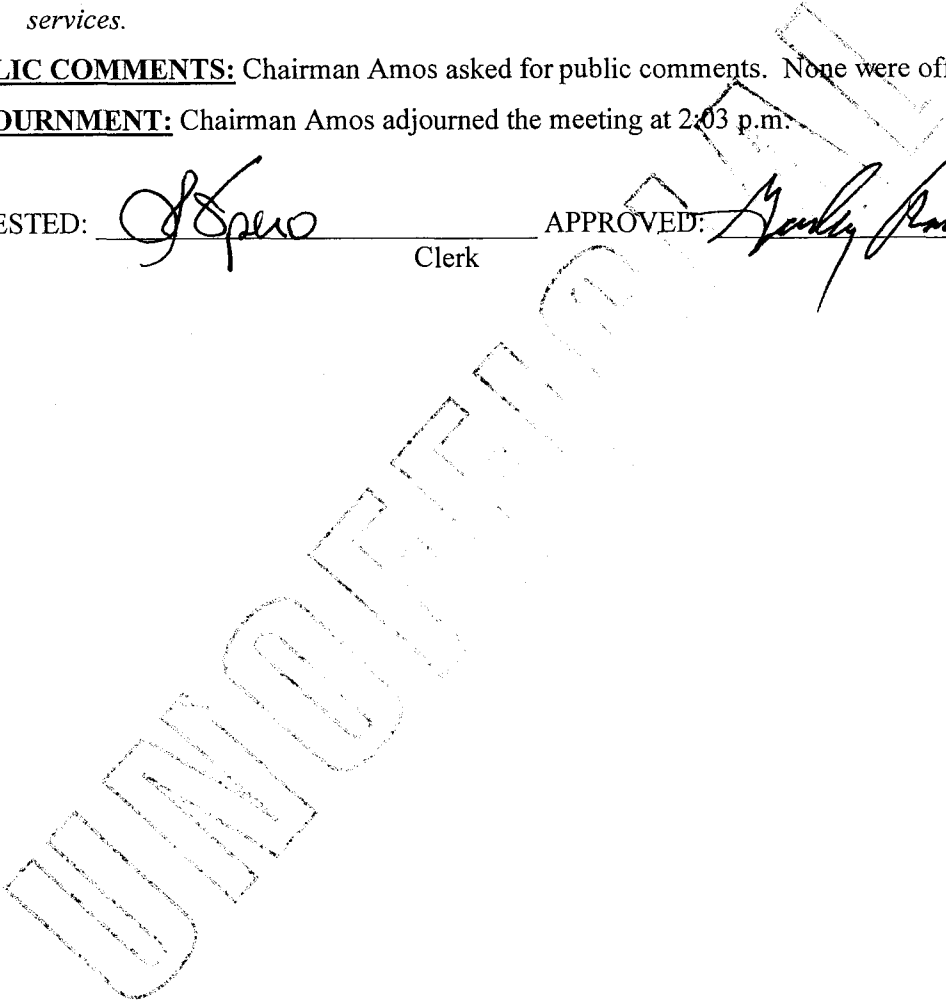

Interlocal Contract Between Public Agencies between Nevada State Health Division Public Health & Clinical Services and Humboldt County was provided to the Board for review. Administrator Deist reviewed the agreement for the Board noting that this is one of the services provided by the State that the County will be assessed the cost for, that the amount has been amended into the budget and that this would include food establishment inspections. After discussion the following motion was made by Commissioner Fransway and passed unanimously:

To approve the contract with the Nevada State Health Division for environmental health services.

PUBLIC COMMENTS: Chairman Amos asked for public comments. None were offered.

ADJOURNMENT: Chairman Amos adjourned the meeting at 2:03 p.m.

RE: 2011 Summit Lake Paiute Tribe Indian Reservation Roads Inventory

Dear Mr. Garrett,

I want to extend my sincerest gratitude for hosting the June 7th meeting with Summit Lake Paiute Tribe to discuss the inclusion of Humboldt County roads on the Indian Reservation Roads Inventory (IRR). I believe that much was accomplished and that, going forward, a new alliance will be formed between the County and Tribe for the benefit of all who travel the roads on and around Summit Lake Indian Reservation.

One issue, which was discussed at length during the meeting, was a toll fee road on Tribal lands. Attached, please find a map displaying the fee road's location in relation to Humboldt County roads. A fee was imposed in 2009 for the purpose of cost recovery to maintain Reservation roads, prevent pollution and spread of invasive species. As the map illustrates, the fee road is on Tribal lands and the Tribe is not receiving funding to maintain this road through the IRR program or any other program. The Tribe is fully aware that IRR roads must be open to the public and will comply with this regulation.

In anticipation of the June 20th County Commissioner's meeting, I have taken the liberty of drafting a letter for your review and consideration to present to the Board. The letter will suffice as the memorandum of agreement to meet the IRR requirements. Please feel free to make any changes necessary. If there is any possibility of presenting this information to the Board prior to the regularly scheduled meeting it would be much appreciated.

Please do not hesitate to contact me with any questions or concerns. Thank you.

Sincerely,

Warner Barlese
Summit Lake Paiute Council Chairman
